Debana kote 3 repetitions

- Hiki-waza:

Hiki men 4 repetitions

Hiki kote 4 repetitions

Hiki do 4 repetitions

- Jigeiko 10 minutes

- Kakarigeiko 5 minutes

- Shiaigeiko 10 minutes

11. Top university dojo menu

- Warm-up
- Sandan geiko (Three motodachi. Kakarite cycle through each of them with no rest):

1. Choose from Kirikaeshi 50–40–30 pattern or 100–100–100 pattern

2. Yakusoku-geiko:

Men → Kote

Men → Kukan-datotsu-men (striking through empty space)

Men → Kote-Men → Taiatari

Hiki-do → Men → Kirikaeshi 100 repetitions

3. Free version from these 2 options:

(A) Uchikomi: A method of keiko in which one learns basic striking techniques by responding to striking opportunities provided by the motodachi (instructor). Motodachi-focused.

(B) Kakarigeiko: A method in which the trainee, for a short time, strikes the motodachi with full energy using all techniques learned, without hesitation or concern about being struck. Kakarite-focused.

- Kubun-geiko (Classification-geiko):

- 1st person: Uchikomi (Men only), 30–60 seconds

- 2nd person: Kakari-geiko, 30–60 seconds

- 3rd person: Kirikaeshi, 30–60 seconds

- Jigeiko 2 minutes per round

- Kakarigeiko
